## AWARD

(Delivered on this the 8th day of the month of August of the year 2017)

This is an application filed by Party II at Exb. 7 for passing an Award in terms of settlement dated 12-08-2016.

2. Briefly stated, the case of the Party II is as follows:

That pursuant to the notice of suspension of manufacturing activities and subsequent closure of the factory of Party II, the workers/Party I jointly made a representation to the Party II to amicably settle the matter directly with the said workers. The discussions on the representation took place in the months of July, 2016 and August, 2016 with the authorised representatives of the said workers on all the pending issues including the Charter of demands in Ref. No. IT/27/16 and the dispute raised by the Union before the Commissioner, Labour and Employment, Govt. of Goa, Panaji on the issue of notice of suspension of manufacturing activities.

3. The Party I and Party II thereafter arrived at the terms of settlement of the disputes of suspension of manufacturing activities/closure and the Charter of demands in Ref. No. IT/27/16, which were explained to the said workers by the authorised representatives and that a settlement was thereafter reached between the parties on 12-08-2016, wherein the parties have settled all the issues of the Party I workers with the Party II and that the said settlement was signed by all the workers of the Party II. The said workers have also authorised the said representatives to file joint application before this Tribunal in Ref. No. IT/27/16 for consent award as the Party II, in consideration of the Charter of demands, have paid additional ex-gratia amount to

all the workers over and above the retrenchment compensation and gratuity payable under the law and that in view of the settlement of all the disputes of Party I workmen with Party II as per the settlement, a consent award in terms of the said settlement be made and the reference be disposed of.

4. The Party I filed a reply to the above application inter alia contending that the application is misconceived and is based on distorted facts which are not true and correct and that the application has not been signed and verified in accordance with the provisions of law, neither the same has been supported by a sworn affidavit. It is also stated that the so called authorised signatory and the six persons who signed on behalf of workmen in the present case have no authority and locus standi to file the present application praying for consent award and that the purported settlement alleged to have been signed with the workmen is fraud, bogus and totally favours the Party II company and Party I Union disputes and challenges the said purported settlement.

5. It is also claimed by the Party I that the signatures on the said purported settlement are disputed and challenged by the Party I Union as the said signatures are fraud and bogus from Sr. No. 1 to Sr. No. 45 and for determining the authenticity and genuineness of the signatures, it is necessary that proper evidence is led before arriving to any conclusion in the matter, so also the fairness and propriety of the purported settlement also needs to be examined. The case of Charter of demands is pending before the Court which is a substantial industrial dispute raised by the Union. The so called workers' representative has no authority and locus standi of whatsoever nature to negotiate or settle the matter of Charter of demands pending before the Court as the said case pertains to wage revision and other service conditions and that the Party I Union disputes and challenges the entire purported settlement dated 12-08-2016 as the same is fraud and bogus and compromises the rights, interest and demands of the workmen involved in the present reference. It is therefore application filed for consent award dated 2-9-2016 be dismissed with costs.

6. Arguments heard. Notes of written arguments came to be filed by Party II.

7. The point for my determination is whether the settlement dated 12-08-2016 is fair and proper signed by all the workers of Party II and whether the consent

award be made in terms of settlement and my answer is in the affirmative for the following:

#### REASONS

8. It is a matter of record that by Order dated 02-03-2016, bearing No. 28/48/2015-Lab/163, the Government of Goa in exercise of powers conferred by Section 10 (1)(d) of the Industrial Disputes Act, 1947 (for short The Act), has referred the following dispute to this Tribunal for adjudication.

"(1) Whether the action of the management of M/s. Menezes Pharmaceuticals Limited (formerly known as Cosme Pharma Limited), Bicholim, Goa, in not conceding the following demands raised by the Goa Trade and Commercial Workers Union, vide it's letter dated 12-03-2014, is legal and justified?

(2) If not, what relief the workmen are entitled to?

9. Upon receipt of the reference, IT/27/16 was registered and registered A/D notices were issued to both the parties. Upon appearance, Party I filed a claim statement at Exb. 5. The Party II has not filed any written statement but filed the present application for consent award in terms of the settlement dated 12-08-2016.

10. Ld. Adv. Shri P. J. Kamat for Party II has submitted that Party II had issued a notice of suspension of manufacturing activities and thereafter closed the unit w.e.f. 1-8-2016 and that the workmen jointly made a representation dated 8-6-2016 to the Party II to amicably settle the matter directly with the said workers and after holding discussions with the workmen directly, as per their own representation, a settlement was arrived at on 12-8-2016 and that the said settlement is signed by all the workmen of the Party II. He also submitted that before signing the said settlement, the workers had informed the Party II that all the workers have resigned from the membership of the said Union, an acknowledgment copy of which is produced along with the application.

11. Ld. Adv. Shri P. J. Kamat for Party II has further submitted that under Clause 5 of the said settlement, the workmen have declared that in view of the resignation of the workmen from the membership of the said Union, the said Union shall have no authority to represent the workmen in Ref. No. IT/27/16. Under Clause 6 of the said settlement, the workmen of the Party II had given authority to six workmen, whose names have been mentioned in the said clause to represent the workmen in Ref. No. IT/27/16 and to file the said settlement for no dispute award as the said dispute of Charter of demands is settled under the said settlement and that under

clause 3 of the said settlement, the Party I workmen had agreed that in lieu of the revision and benefits claimed under the Charter of demands in Ref. No. IT/27/16, the workmen have been paid additional ex-gratia amount @ 37 days of wages for each year of completed service.

12. Per contra, Ld. Adv. Shri Suhaas Naik Party I has submitted that the six workmen have no authority and locus standi to file the present application on behalf of the workmen. The so called settlement is fraud, bogus and totally favours the Party II. The signatures on the said settlement are disputed and the genuineness of the signatures has not been proved by filing the affidavit of the workmen. He also submitted that the fairness and the propriety of so called settlement is required to be examined and therefore, it is necessary that the proper evidence is led in the matter before arriving to any conclusion and hence, the application be dismissed.

13. Admittedly, the Memorandum of Settlement dated 12-08-2016 has been signed under Section 2(p) read with Section 18(1) of the Industrial Disputes Act, 1947 between the management of M/s. Menezes Pharmaceuticals Ltd., Bicholim and their forty-five workmen named in the settlement. The terms of settlement read as follows:

- (1) It is agreed between the parties that all the workers who are signatories to this settlement and named above, have been validly retrenched from the services of the management w.e.f. 14-08-2016.
- (2) It is agreed between the parties that the workmen shall be paid retrenchment Compensation @ 15 days wages for each year of continuous service and the Gratuity payable as per Payment of Gratuity Act, 1972.
- (3) It is agreed between the parties that the workmen shall be paid an additional ex-gratia amount at the rate of 37 (thirty seven) days of wages for each year of completed service in lieu of the revision and benefits claimed under the Charter of Demands pending before the Tribunal in Reference No. IT/27/16.
- (4) It is agreed between the parties that on payment of this ex-gratia amount as in Clause (3) above, the workers declare and agree that their Charter of Demands in Ref. No. IT/27/16 is fully settled and shall not be entitled to any other benefits of the COD and shall not pursue with the same. The workers also agreed that the dispute raised by the said Union on their

behalf on 15-06-2016 referred to in the short recital of this settlement is deemed to be settled.

- (5) It is agreed between the parties that in view of the resignation of the workers from the membership of the said Union, the Union shall have no authority to represent the workers in Ref. No. IT/27/16.
- (6) It is declared by the workmen that Mr. Sanjay Gaonkar, 2. Mr. Sanjay Parsekar, 3. Mr. Augustin Menezes, 4. Mr. Sanjay Matondaker, 5. Mr. Santosh Sawant, 6. Mr. Santosh Saraf are authorised by the said workmen to represent the said workmen in Ref. No. IT/27/16 to file this settlement in the said Ref. No. IT/27/16 for no dispute Award as the dispute in respect of COD is settled as above by the said workmen with the company.
- (7) It is agreed between the parties that this settlements shall be binding on all those workmen who are signatories to this settlement. Those of the workmen, who will not subscribe to this settlement, shall not be entitled for any benefits which are given in this settlement.
- (8) It is agreed and declared by the workers that the amount payable by the Management to the workers in the manner hereinabove provided for are in full and final settlement and satisfaction of all the claims of the workers against the management including claim for Compensation for loss of service or otherwise whatsoever and the Charter of Demands in Ref. No. IT/27/16.
- (9) It is agreed between the parties that the amount payable under this settlement shall be paid on the last day of working i.e. on 13th of August, 2016.
- (10) It is agreed between the parties that the said workers shall not be entitled for reinstatement in service even if the management does not close or suspend the manufacturing operation as declared.
- (11) It is agreed between the parties that in view of the settlement as above on the issue of suspension of manufacturing activities (Closure) of the factory, the dispute raised by the said Union under their letter No. Menezes Pharmaceuticals (16) Indl.D.16 dated 15-06-16 is deemed to be settled and the workmen shall not pursue the same any further.

14. The above Memorandum of Settlement has been signed by all the forty-seven workmen of Party II. It is a matter of record that the Party II has produced a letter dated 8-6-2016 addressed to the President, Goa Trade and Commercial Workers' Union, Panaji, copy of which was received by the Union on 12-8-2016, in which all the forty-five workmen have decided to resign from the membership of the Union and accordingly, submitted resignations with immediate effect and requested the Union not to discuss any issues with the management on their behalf as they decided to discuss directly with the management on the issue of closure. The Union has not disputed the resignation by the workers from the Union nor it is disputed that such a letter dated 8-6-2016 has been issued to the Union. The workers and the management in Clause 5 of the terms of settlement have stated that in view of the resignation of the workers from the membership of the said Union, the Union shall have no authority to represent the workers in the above reference.

15. Admittedly, in terms of Clause 6 of the settlement, the workmen viz. Sanjay Gaonkar, Sanjay Parsekar, Augustin Menezes, Sanjay Matondaker, Santosh Sawant and Santosh Saraf were authorised by all the workmen to represent them in the above reference and to file the terms of settlement. There is also no dispute that in terms of Clause 3 of the settlement, the Party II and the workmen had agreed that in lieu of revision and benefits claimed under the Charter of demands in the above reference, the workmen have been paid additional ex-gratia amount @ 37 days of wages for each year of completed service. The dispute has been settled by the workmen and the employer without intervention of the Union after resigning from the membership of the Union. The Union therefore will have no authority to continue to represent the workmen as the workmen have withdrawn from the Union by tendering resignation from their membership. The Union could represent the workmen only when the authority to that effect is given by the workmen concerned.

16. Discernibly, the workmen do not continue to be the members of the Union and therefore there is no authority to the Union to represent the workmen as they have resigned from the Union vide their letter dated 12-8-2016, which in other words mean that the workers are no more members of the said Union. There is no denying the fact that the right of a person to be represented by another person in any proceedings includes the right to change the representation at any time, the worker likes. The

principle of representation is based on relationship of principal and agent as rightly submitted by Ld. Adv. Shri P. J. Kamat for Party II and therefore the contention of Ld. Adv. Shri Suhaas Naik that the settlement are disputed and challenged by the Party I Union, cannot be accepted. Therefore, once the authority of the agent to act on behalf of principal is withdrawn, the Party I Union cannot be said to have any locus standi to act any further in the matter.

17. It is well settled that the dispute which is referred to the Tribunal for adjudication is between the employer and its employees. It has also been held in the case of **Hotel Imperial, New Delhi vs. Chief Commissioner, Delhi, 1959 (2) LLJ 553** that the dispute which is referred to the Tribunal for adjudication is between the employer and its employee as mentioned in the order of reference. The Apex Court at page 2210 has observed thus, "the fact remains that the dispute which was referred for adjudication was between the employer, namely, the management of the hotel, and its employees, which were mentioned as its workmen. The addition of the words 'as represented by the Hotel Workers' Union, Katra Shahanshahi, Chandni Chowk, Delhi' was merely for the sake of convenience so that the Tribunal may know to whom it should give notice when proceeding to deal with the reference. That, however, did not preclude the workmen, if they wanted to be represented by any other union, to apply to the Tribunal for such representation or even to apply for being made parties individually....."

18. Needless to mention, the present order of reference also speaks that the dispute is between the Party II company and its workmen who were represented by Party I Union. Once the workmen have resigned from the Union, the Union has no locus standi to represent further as the representative of the workmen or to take objection to the application filed by the workmen in the representative capacity. The present terms of settlement are signed between Party II and all its workmen after resigning from the Union. The Union therefore has no authority to raise any objection when all the workmen who were initially represented by the Union have resigned from the Union and have settled their dispute including the dispute of payment of additional ex-gratia amount at the time of settlement dated 12-8-2016. The Union represented by Ld. Adv. Shri Suhaas Naik therefore has no locus standi or the authority to raise the dispute as none of the workmen have raised objection to the said settlement arrived at by them, thereby settling all their disputes including closure and the wages.

19. It is also well settled in the case of **M/s. Garment Cleaning Works vs. D. M. Aney and another, AIR 1970 BOMBAY 209** that a settlement can be arrived at between the employer and the employee in a pending industrial dispute. Merely because a settlement is arrived at after an industrial dispute is referred to the Tribunal, it does not and cannot cease to be a settlement within the meaning of Section 2(p) of the Industrial Disputes Act. Even though, a dispute is referred to the Industrial Tribunal, the Tribunal cannot refuse to accept the settlement made by the parties. The Memorandum of Settlement has been signed between the employer and all the workmen after resigning from the Union. Ld. Adv. Suhaas Naik for Party I has not produced anything on record including the affidavit of any of the workmen stating that they are disputing the settlement on the ground that the signatures are fraud and bogus and that the six persons who have signed on behalf of the workmen in the present case has no authority or locus standi to settle the matter or to file the present application on behalf of the workmen praying for consent award.

20. The contention of Ld. Adv. Suhaas Naik for Party I that evidence have to be led before arriving at to any conclusion cannot be accepted as onus to prove the allegation that the settlement was brought about by fraud and coercion is on the person who alleged that the settlement is fraud and bogus, which Party I has failed to show. All the workers have resigned from the Union and signed the settlement. Therefore, once the Party I has prima facie failed to show that the said settlement is fraud and bogus and not signed by all the workmen, nothing remains to be adjudicated as the parties have amicably settled the dispute between them by drawing terms of settlement thereby putting an end to the dispute referred by the appropriate Government and therefore, an award in terms of settlement is required to be made.

21. In the result, I pass the following:

#### ORDER

1. The application at Exb. 7 stands allowed. Consequently, the Consent Award in terms of Settlement dated 12-08-2016 is made. The above reference therefore stands disposed of.
2. No order as to costs.
3. Inform the Government accordingly.
